Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

Tarzan The Untamed

This book follows Tarzan and the Jewels of Opar chronologically.

The action is set during World War I. While away from his plantation home in East Africa, invading German troops destroy it and kill his wife Jane and the Waziri warrior Wasimbu who is left crucified. Tarzan's search for vengeance is filled with much danger, many fierce fights and tons of action as he becomes active in the war on the British side. This is really just the start of the exciting adventures portrayed in this book.

Potential readers should be aware that there is a strong anti-German slant to the book which usually portrays them in unflattering lights. This is a reflection of the time and place in which it was written.
